

ICSS 2025

International Conference on Smart Sensors

第 28 屆 微奈米系統工程研討會 / 第30屆 臺灣化學感測器科技研討會

06/23 – 06/24

新竹豐邑喜來登大飯店 Sheraton Hsinchu Hotel | Hsinchu, Taiwan

About the Conference

ICSS 2025, Taiwan's leading conference, is dedicated to advancing research and strengthening industry collaboration. Attracting over 400 participants and showcasing 40 industrial booths, the event covers key topics such as Physical and Chemical MEMS, Chemical Sensors, and Biosensors. Additionally, the program features an Asia-Pacific Joint Session, highlighting the significance of university-industry partnerships.

List of Topics

Chemical
Sensors

Biosensors

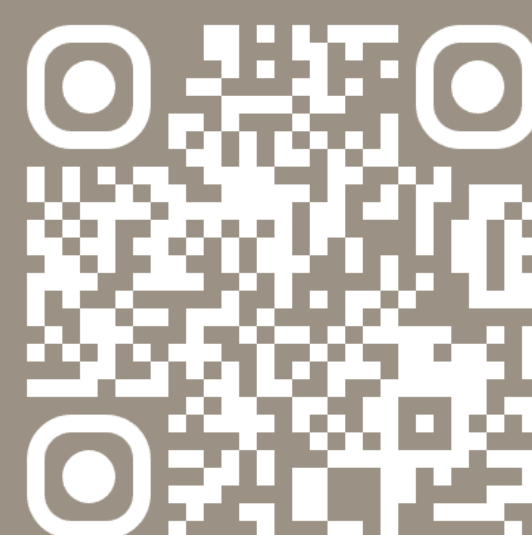

Physical
MEMS / NEMS

Chemical
MEMS / NEMS

Important Dates

04/01	04/01	04/30	5/15	05/25	05/26	06/22
Paper Submission	Early Bird Registration	Paper Submission Deadline	Notification for Authors Acceptance	Early Bird Registration Deadline	Regular Registration	Regular Registration Deadline
